There were many new people at this meeting.

Dick Kramer discussed the agenda for the meeting. Since there were a number of new people at the meeting, he reviewed the purpose of the workgroups, ground rules, revision time lines, and other background information presented at previous meetings.

Dick suggested, and the group agreed to schedule meetings on the first and third Wednesday's of each month.

The following schedule and focus for each meeting was agreed to by the group:

- December 17<sup>th</sup> - Will try to have Kent Wellner talk about the IRAs/Proposed Wilderness, and Recreation portions of the AMS. Will also see if Tom Martin can present a summary of the Timber Production portion of the AMS
- January 7 - Wildlife portion of the AMS (Bob Ralphs and possibly someone from the IF&G)
- January 21 – Begin work on Desired Future Condition.

The remainder of the meeting was devoted to two presentations. Rick Patten (Forest Hydrologist) discussed the Aquatics (Watershed and Fisheries) Revision Topic, and Art Zack (Forest Ecologist) talked about Vegetation and Fire Risk. Information presented by Rick Patten and Art Zack can be found on the Forest Plan Revision website.....[www.fs.fed.us/kipz](http://www.fs.fed.us/kipz).
